

# Autumn in Campsite

## 2 - 19 October 2016

### "SARDINIAN WEEKS"

Dear Campers,

**Sunday, 2 October 2016** the autumn edition of the

## "Settimane Sarde" (Sardinian Weeks) programme will begin.

18 days of events and activities that take place both inside and outside the campsite, all with a very specific purpose: to show our guests what we Sardinians consider "tradition". The programme is also to help you, and Sardinians themselves, discover the land around our campsite in its natural, cultural, historical, and of course...  
gastronomical aspects!

Below is the summary of the programme schedule, and each day the campsite bulletin boards will display the details of each activity with an extensive description, and you can request any necessary information at reception.

Enjoy!
