SURROUNDED BY BLUE

Costa Rei – with its famous Scoglio di Peppino rock – is considered one of the most beautiful beaches in the world. We're proud to be able to welcome you to our little corner of paradise! Welcome to Villaggio Camping Capo Ferrato!

Imagine a campsite that's the perfect size to create a family atmosphere, with a panoramic location overlooking a stunning white-sand beach and the crystal-clear waters of the Scoglio di Peppino bay.

Open for over 50 years, our passion for hospitality makes all the difference to your holiday. And that's what Villaggio Camping Capo Ferrato is all about!

FUN FOR ALL THE FAMILY

We organise shows and events and have a professional team
of entertainers on hand to bring a smile to your face!

A holiday isn't a holiday without entertainment! In July and August, our team of discreet yet fun entertainers are always on hand to organise a range of fun activities. During the daytime, guests are invited to take part in activities in the water or on the basketball, tennis and beach volleyball courts. Children are able to enjoy themselves at the mini club, playgrounds and creative workshops – while mum and dad soak up the sun! Baby dance nights, games, dancing and shows featuring special guests make every night different!

Want a holiday packed with unique experiences and unforgettable moments? Our "Settimane Sarde" are just the thing! This innovative, original programme of events will help you discover the traditions and culture of Sardinia.

Thanks to "Settimane Sarde" [Sardinian Weeks], guests in the off season are treated to a programme of events designed to promote an understanding of the local area and help them discover the traditions and nature of Sardinia. Every season, we organise an array of different events, including cooking courses,

prickly pear harvesting, bike rides to visit small products, sheep shearing, diving accompanied by a marine biologist, traditional music nights, artisanal exhibitions and guided wine tastings. These unique, sustainable tourism activities will make your holiday one to remember.

FOODIE HOLIDAYS

Our chef takes traditional flavours to the next

level, while our sommelier uses all his passion

for wine to help you make the best choice.

Because holidays are all about great flavours!

Authentic, traditional food made using local products, seafood specialities, wood-fired pizza made from dough left to prove for at least 24 hours and a romantic dinner complete with sommelier to pour your wine. Our restaurant is all about quality and freshness.

Enjoy a cocktail at the bar in the entertainment area of an evening, or a delicious breakfast at the bar in morning. Alternatively, head to the market, where you'll find fresh products, fruit and vegetables and a small general store – as well as plenty of friendly service.

Our seafront pitches are the jewel in the crown of our campsite, situated right in front of the beach with wonderful views: it's a camper's dream!

The Capo Ferrato campsite has 83 pitches for camper vans, caravans and tents, surrounded by eucalyptus trees and Mediterranean scrub. With some pitches shaded and others in full sun, we're able to meet campers' needs regardless of the season.

The gentle lapping of the waves and the spectacular view of the sea make the 26 seafront pitches truly special.

The two toilet blocks are easy to get to from all of the pitches, with laundry service, baby room, washing machines, dryers and camper service all provided. Our friendly, professional team ensure that cleanliness and hygiene levels are maintained with a smile.
